Subject: Unauthorized VAP Promotions

Judy,
Harold Levinson Tobacco,Hicksville,N.Y.is currently sending out VAP promotions to unauthorized accounts(PM Exclusive).On 4/11/98,I contacted Colonie Getty,SIS#433532,which had received a Doral BUY 2 GET 1 Free promotion.This location has been a PM Exclusive for over a year and indicated in the laptop as one for that time period. From what I was able to find out ,Levinson is selling these promotions VIA telephone orders,not thru their sales reps. Please forward this information to our respective account manager for them to handle with this jobber.
Thanks
